HELPING HANDS CLOTHES CLOSET

Some of the ladies of the congregation are in the process of outfitting a room with hanging racks and shelving for the purpose of eventually providing clothing for those in need. Gently used/clean or new garments are welcomed and are being accepted.

Our initial focus will be to create a stockpile of new clothing for children who will be going back to school in the fall. Those willing to donate to this effort are encouraged to choose a specific size and gender for which to provide a complete set, if possible, for a child, including a shirt or top, pants or shorts, undergarments, and socks.

A sign-up sheet will be placed on the table in the foyer depicting the different sizes for each gender. You may choose to sign-up for one child or more at your discretion by writing in your name under the size/ gender you would like to help.
